

Flexible and responsive data lake management with better performance, near real-time results, and full-spectrum operational scale.

Simple. Fast. Accurate. Cost Effective.

Your End to End Data Management Solution

Helping clients and developers access the data they need by making it easier for developers to **see the data they are working with and to change the organization and analysis as needed** for individual clients.

The HPCC Systems Advantage

-  Completely free, open source data lake platform
-  Batch, real-time and streaming data ingestion
-  Built-in data enrichment and Machine Learning library
-  Scalable from a single laptop to many petabytes of data
-  Runs on commodity hardware on premise or in the cloud
-  Increased responsiveness to customers and stakeholders

Take your coding knowledge to the next level: Enjoy training on us!

It's Easier:

Easier to update

Easier to learn

Easier to program

Easier to integrate data

Easier to manage clusters

HPCC Systems® is offering free courses to build your skills in working with ECL and big data!

INTRODUCTORY COURSES

Prerequisite for advanced courses

Introduction to ECL (Part 1)

Introduction to ECL (Part 2)

ADVANCED COURSES

\$495 value each (FREE with promo)

Advanced ECL (Part 1)

Advanced ECL (Part 2)

ROXIE ECL (Part 1)

ROXIE ECL (Part 2)

Applied ECL
